E-Learning Expert Lecturer

Application

Name: Academic Rank:

Department: College:

Date:

Please provide the award committee with a statement that describes why you should be selected as an Online Master Teacher.

Identify the online course you have been teaching each year for the past three (3) years.

Which course would you like to submit for review by the Online Liaisons? Please provide course rubric, number, section, current syllabus, and the last semester in which you taught this course.

Describe the types of continuous improvements you have implemented in this course based on student feedback and/or peer reviews.

Identify the online course in which you participated as a student.

Please provide an example of how you ensure your course objectives are linked to course assignments and assessments.

Describe how you ensure all your course materials, assignments and assessments are current and appropriate for the course.

Describe how the course follows online instructional design best practices, and is structured for clarity and ease of navigation.

Describe how accessibility is built into the course and/or your plans to incorporate accessibility.

Describe how you ensure prompt and effective delivery of feedback to students.

Describe the types of interactivity present in your course.

Describe the active learning opportunities present in your course.

Describe how your course is an exemplary model for other online instructors. Describe methods you use to employ a diversity of instructional methods and/or innovative online teaching methods.

Please submit completed application form, curriculum vitae, and current course syllabus to your college's online liaison.
